

A MESSAGE FROM

**Mayor  
Kennedy Stewart**

On behalf of the citizens of Vancouver and my colleagues on City Council, I am pleased to welcome everyone attending the Canadian Medical Hall of Fame 2020 Induction Ceremony.

This celebration brings together leaders from across the healthcare industry to pay tribute to the outstanding contributions Canadians have made to our country's greater mental and physical health and well being. The work that each of you do to advance and promote healthy outcomes in our city and beyond is a vital component to thriving communities.

I wish to extend my best wishes to this year's laureates and congratulate you on this esteemed honour. Your leadership, passion and commitment to asking the right questions are inspiring the next generation of health care providers and leaders.

Sincerely,

Mayor Kennedy Stewart
